

Minimum public transport passenger services established for the one-day strike on 8th March

- **All passenger transport operators will offer 85% services throughout the day**

The Enterprise and Employment Department has decreed a minimum service order for the general strike called on Tuesday 8th March, International Women's Day. This establishes:

- Transports Metropolitans de Barcelona (TMB) metro and bus services: 85% service throughout the day
- Catalan local and regional train services operated by RENFE: 85% service throughout the day
- Ferrocarrils de la Generalitat de Catalunya: 85% service throughout the day.
- TRAM: 85% service throughout the day.
- Other urban and inter-urban passenger services, and the Barcelona airport shuttle bus service: 85% service throughout the day.

Public transport operators will keep information about services updated through their usual information channels.
