

T-mobilitat is launched on over forty inter-city lines run by the Monbus - Hispano Igualadina operator

- **The full Hispano Igualadina service operated by Monbus has been incorporated into the new system with more than 40 lines running through the counties of L'Anoia, L'Alt Penedès, El Bages and El Baix Llobregat and linking them with Barcelona**

Barcelona, 5th December 2022. - This week, T-mobilitat, [the new system for travelling on the public transport network of the Barcelona area](#), will incorporate over forty inter-city bus lines that run through the counties of L'Anoia, L'Alt Penedès, El Bages and El Baix Llobregat and link them with Barcelona.

The above involves the Hispano Igualadina bus service currently operated by Monbus, one of the last major bus companies that are still to be incorporated into T-mobilitat. The 43 lines that form part of it include those in the **Exprés.cat e5, e22 and e23** network and the **Abrera municipal bus service**.

Sales channels for passes

Barcelona ATM passes for all zones are available through the official T-mobilitat sales channels:

- Ticket machines provided by TMB, FGC, Rodalies and TRAM operators.
- **T-mobilitat, TMB and FGC** websites for card purchases.
- **T-mobilitat, TMB App and FGC T-mobilitat** apps.
- **T-mobility service points in place around the public transport network.**

Travel passes purchased under the T-mobility system also benefit from the same reduction as passes under the magnetic system. In this respect, passes for all zones under T-usual (also FM/FN), T-casual and T-jove (also FM/FN) can be purchased with the relevant reduced fare until 31st December 2022. It should be remembered that all integrated transport passes will be valid until 15th January 2023. More information on the current fare reductions and conditions can be found on the [ATM Barcelona website](#).
