

## T-mobilitat incorporates the Igualada urban bus and different interurban lines in the surrounding area

---

- **The MasatsTG DX company in the GrupTG DX now permits validation with the new system in Igualada and on the lines of the counties of L'Anoia and El Bages**

*Barcelona, 6th February.*- This week T-mobilitat is integrating new bus lines in Igualada and the surrounding area. It will involve the incorporation of the MasatsTG DX company in the GrupTG DX, which provides the **urban service in Igualada** and different interurban lines in the surrounding area.

The deployment of T-mobilitat throughout the bus network of the 6 fare rings of the Barcelona ATM stands at over 90%. The incorporation of bus operations that are not included, have different technologies or have required *ad hoc* adaptations of the T-mobilitat system will take place in the coming weeks.

The T-mobilitat system has gradually expanded outside the Barcelona metropolitan area since last summer. The new system currently allows travel on all the Barcelona ATM's railway network and the entire Barcelona metropolitan area bus network and with practically all the interurban and urban bus services in Rings 2, 3, 4, 5 and 6. You can go to the [T-mobilitat website to see how the system has expanded](#).

**Validations with T-mobilitat currently exceed 550,000 on a working day and there are more than 880,000 people registered in the new system**

### **Ticket sales channels**

In all zones, Barcelona ATM tickets in are sold through the official T-mobilitat sales channels:

- The TMB, Ferrocarrils, Rodalies and TRAM **self-service machines**.
